## PROFESSIONAL SUMMARY

MSc AI & CS student at Christ University specialising in penetration testing, web application security, and cloud security. Proficient in identifying OWASP Top 10 vulnerabilities through hands-on labs and real-world projects. Holds ISC2 Candidacy with CompTIA Security+ and CySA+ certifications from Springboard, Red Hat SysAdmin I & II, and completed Tinos internship focused on Cybersecurity.

## WORK EXPERIENCE & INTERNSHIPS

### Tinos Software & Security Solutions LLP, Kochi

Apr 2026 – Jun 2026

#### Cyber Security Analyst Intern – Web Application Security

- Conducted web application penetration testing using Burp Suite, OWASP ZAP, and Nikto; identified and reported 10+ vulnerabilities across client applications.
- Performed network reconnaissance using Nmap, Gobuster, and Amass; documented findings in structured vulnerability assessment reports and learnt using tryhackme rooms.
- Assisted in incident response workflows and contributed to security hardening recommendations aligned with OWASP Top 10 standards.

### UptoSkills, Remote

Mar 2026 – Jun 2026

#### Cybersecurity Intern – Ethical Hacking & Penetration Testing

- Executed ethical hacking labs covering exploitation with Metasploit, SQL injection via SQLmap, and web fuzzing with Gobuster.
- Completed structured training in OWASP Top 10, cryptography, and network security; practised attack simulations on Kali Linux.

### Microsoft (AICTE × Elevate Program), India

Jan 2026 – Feb 2026

#### Cloud & Azure Intern

- Implemented Azure IAM, configured Virtual Networks and NSGs, and completed Cloud Administration, AI & ML, and Azure Security modules.

## PROJECTS

### AWS Web Hosting | AWS S3, IAM, Bucket Policies, CloudFront

Dec 2024 – Jan 2025

- Deployed and secured a multi-page static website on AWS S3; enforced bucket policies, IAM access controls, and public exposure restrictions.
- Applied cloud security hardening: disabled public ACLs, configured versioning, and documented attack surfaces and data exposure risks.

### Yaalnits Mart | MERN Stack, OWASP, JWT, MongoDB, Node.js

Jun 2024 – Nov 2024

- Built a full-stack e-commerce platform applying OWASP security principles: secure authentication, input validation, injection attack prevention, and session security across the full development lifecycle.

## SKILLS

**Technical:** Penetration Testing, Web Security, Network Security, Cloud Security, Threat & Vulnerability Management, Incident Response

**Tools:** Burp Suite • OWASP ZAP • Nmap • Metasploit • SQLmap • Gobuster • Nikto • Amass • Wireshark • Kali Linux • Python • Networking

**Soft Skills:** Analytical Thinking • Problem Solving • Leadership • Team Collaboration • Communication • Continuous Learning

**Languages:** English • Kannada • Hindi • Malayalam • Tamil

## CERTIFICATIONS & TRAINING

• Red Hat System Administration I & II— Red Hat

Feb 2026

• OWASP Top 10 Web App Security — Skillsoft

Nov 2025

• CompTIA Security+ (3 Modules)— Skillsoft

Feb 2026

• Cloud Administration and Engineering— Microsoft Elevate

Feb 2026

• AWS Academy Graduate - Cloud Foundations— AWS

Sep 2024

## CO - CURRICULAR & LEADERSHIP

S.H.I.E.L.D – Cybersecurity Club, Christ University, Bengaluru - Member

Jun 2025 – May 2027

Cybernetics Club, St. Joseph's University, Bengaluru -Member

Jun 2022 – May 2025

AICUF (All India Catholic Federation) – Council Member and Media Head

Jun 2023 - Jun 2024

ACC (Association of Christian Christites) – Public Relations Team and Logistics

Jun 2025 – Present

Placement Representative— MSc AI & CS and a member of CPCG

Jun 2026 – May 2027

## ACHIEVEMENTS & AWARDS

• SPARK Research Programme (5-Day)— Christ University

Apr 2026

• 1st Place – Promptathon & Reel Making — Syntaxia 2026, St. Joseph's University

Mar 2026

• 3rd Place – Algo Royale (Prompt & Web Design) — Magnovite 2026, Christ Kengeri

Dec 2025

## EDUCA TION

**CHRIST (Deemed to be University), Bengaluru**

Jun 2025 – May 2027 (Expected)

MSc Artificial Intelligence & Cybersecurity | Activities: ACC, S.H.I.E.L.D, Samagra

**St. Joseph's University, Bengaluru**

Jun 2022 – May 2025

BCA (Bachelor of Computer Applications) | Activities: AICUF, Cybernetics Club, Jesus Youth
